Past Simple

I got up at 5:30 yesterday morning. I brushed my teeth. I washed my face and hands, and then I said my prayers. I went to the park and took some exercise for about half an hour. I came back home. Then I took a shower. I had a big breakfast; I ate cheese, butter, and jam at 7:00. I got dressed and got ready to go to work. I left home at about 8:00. I didn't walk to work, I took a taxi. I am a clerk. I work for a telephone company. Yesterday I had to work so hard, because I had a lot of clients. At about 12:00, I had a 30-minute break. I went to the lunchroom and ate lunch with my colleagues. I had a terrible headache, so I left the company earlier. I arrived home at 4:30. I was very tired so I took a nap. My wife, Fatima, wasn't home because it was her niece's birthday. I also went to the English class yesterday. The class started at 6:45, but I was late. It finished at 8:15. I was very hungry so I went out to eat dinner alone. I went to a fast food restaurant and ate a hamburger. It was delicious. I also drank a can of soda. I came home at 9:30. I made coffee and watched a TV series. My wife came back from the party. She talked to me about the party. She really enjoyed it. At 11:30 p.m. I read the newspaper, checked my e-mails, took a shower, brushed my teeth, and finally went to bed.
